The Kingdom of God is advancing in Indian Country, but with the highest rates of suicide, domestic and sexual abuse, drug and alcohol addiction, and poverty in the country, the battles are hard-won and relentless.

Native American/First Nations pastors need rest, refreshment, reflection, encouragement, and solid biblical and theological training to be able to serve the sheep entrusted to their care. Recognizing this need, MTW is hosting the Native Pastors Gathering 2020 in collaboration with [Thirdmill](#), [CHIEF](#), and [Sacred Road Ministries](#).

Our theme and title of this event is *Feed My Sheep*, calling attention to Jesus' command to Peter to feed the flock of God in John 21:17. But for so many Native pastors, lack of time and resources combined with the tyranny of the urgent, adversely prohibit adequate attention to the study and application of Scripture.

Shepherds feed the sheep, but who feeds the shepherds? For three days, Native pastors and their wives from the U.S. and Canada will gather at the Twin Lakes Conference Center in Florence, MS, to receive rest, refreshment, and resources to better feed their flocks.

We are offering an all-expense paid retreat experience, including transportation costs for those who cannot afford the expense. Please consider supporting this important event. To give by mail, make checks payable to:
